

**ICoTA Canada 2015 Roundtable Program – 21<sup>st</sup> October**

**Venue – Hotel Arts 119 12 Ave SW, Calgary, Alberta**

7.00 am – **Registration & Buffet Breakfast**

8.00 am – **Opening Remarks** – Greg Chapin (*President ICoTA Canada*)

8.10 am – **Challenges milling out new interventionless permanent flow thru' frac plugs** – Richard McLeod (*Step Energy*)

8.35 am – **New insights on how vibration modelling improves reach** - Silviu Livescu (*Baker Hughes*)

9.00 am – **CT conveyed expandable patch: an effective solution to casing integrity problems** – M.Vonderstein (*Enventure*)

9.25 am – **Articulating mast improves efficiency on multi-well pad operations** – Kris Sato (*Step Energy*)

9.50 am – **Coffee Break & Exhibition** (*40 mins*)

10.30 am – **High strength CT can be used successfully in sour wells if properly managed**– T.Graham - Wright (*NOV*)

10.55 am – **New CT manufacturing technology results in major improvements in field operations** – R.Rolovic (*Tenaris*)

11.20 am – **Advances in bias weld fatigue modeling** – Patrick Kelleher (*Athena Engineering*)

11.45 am – **Biocide water treatment program for preventing CT corrosion** – Jeremy Luth (*OSP*)

12.10 pm – **Lunch & Exhibition**

12.10 pm – **Group photograph for presenters only** (by registration table)

12.45 pm – **Keynote Address** :

“Here we are. Now what?” – G. Allen Brooks (*G. Allen Brooks LLC*)

1.35 pm – **Well diagnostics: things I thought I knew!** – Curtis Jerrom (*EV Canada*)

2.00 pm – **Distributed Acoustic Sensing: Listening to fracture placement** – G.Bouchard & A.Reynolds (*Shell Canada*)

2.25 pm – **Calibration of a new transient CT forces model using downhole log data**– Rob Standen (*NCS*)

2.50 pm – **Coffee Break & Exhibition** (*25 mins*)

3.15 pm – **Online analysis of weight & pressure history aids pipe failure investigations** – Paul Brown (*CoilData*)

3.40 pm – **Real-time downhole data system improves CT operational efficiency and performance** – Tom Watkins (*Baker Hughes*)

4.05 pm – **Connecting pre-job engineering and real-time data to improve CT operations** – Bill Aitken (*Baker Hughes*)

4.30 pm – **Closing remarks** – Greg Chapin (*President ICoTA Canada*)

4.35 pm – **Sponsored Cocktails & Exhibition**
